FREE ENERGY EFFICIENCY WORKSHOPS EDGEWATER INN !!!!

We invite you to join us for a quick workshop on fun and easy ways to change or understand your energy consumption. Each session is free of charge and open at the end for questions. There will also be information available on how to obtain cash incentives and tax credits on qualified changes or upgrades. The instructor is Buzz Thielemann, owner of RHT Energy Solutions. Buzz is a Certified Energy Manager (CEM). He is also an instructor for the NW Public Power Association (NWPPA) and teaches a class on understanding residential use as well. He teaches a commercial energy class for the Building Operator's Certification program as well.

Wednesday, September 22, 2010 6:00-7:00 p.m.

"Utility bills & No Cost/Low Cost Conservation Tricks"

This workshop will give you a deeper understanding of how to read and understand charges on your utility bills, and to know how to reference your statement to your meter readings. Gives you easy tips and tricks to save energy consumption.

Wednesday, September 29, 2010 6:00-7:00 p.m.

"HVAC & Water Heating Words of Wisdom"

This class will help you understand how to maximize your efficiency and cut costs. Ideal information for existing, or soon to be installed, systems.

Wednesday, October 6, 2010 6:00-7:00 p.m.

"Lighting & Renewable Energy for the Home"

This class will help you understand your lighting options and the cost efficiency of each option. Also covered will be solar options for power and water.

All classes are being held in the conference room at:

*Edgewater Inn
7800 Rogue River Drive
Shady Cove, OR 97539.*

Please contact Angalee at 541-951-7200 or angalee@rhtenergy.com with questions or to reserve your space.
