**City of Shady Cove
Notice of Public Open House
City Administrator Candidates Forum**

City Hall Council Chamber
Thursday, March 18, 2010
8am to 9am

The Mayor and City Council invite you to attend an open house to meet the finalist applicants to fill Shady Cove's City Administrator position.

The City has conducted an extensive search for applicants to fill this vacancy brought about by the recent resignation of the former City Administrator to take a position in another city.

After reviewing the 50 applications received the City Council has narrowed the field to finalists who have been invited to interviews in Shady Cove on March 18.

The first hour, from 8am to 9am, will be open to the public to hear each of the finalists introduce themselves and present an opening statement. Refreshments will be served.

The rest of the day will be occupied with closed door interviews and assignments with the finalists. No decisions will be made in the closed door sessions. Any decision to hire the top candidate is expected to be placed on the regular City Council agenda of April 1, 2010.
